THE CITY OF NEW YORK**

CONGRATULATIONS!!!!

It is a pleasure to send greeting to each one of you gathered here tonight at The Dominican Sunday Community Services 8th Anniversary.

This occasion symbolizes the progress that characterizes the service Dominican Sunday has been providing to immigrant families in our community, as well as the movement of Dominican

Residents into positions of leadership throughout New York City.

It is with great enthusiasm that I join the Dominican Sunday Community Services in paying tribute to this year's honorees, as well as praising the organization for its work. Please accept my best wishes for an enjoyable evening and a future filled with continued success.

Sincerely,

Miguel Martinez
Council Member, 10th C.D.
